NEW PLAYERS ADDED TO THE BOMBERS ROSTER

Fox, Squires, and Kelch Brought to Bombers

New players have been added to the College Park Bombers Baseball team! Brett Fox, Chris Squires, and Mike Kelch join the Bombers to help improve the team's dynamic and standings. Come out to the games to see these boys in action!

Fox and Squires come to the Bombers to help improve the pitching situation. They have been brought on from Virginia Tech and Indiana University, respectively, to strengthen the closing pitcher rotation. Fox is a hard throwing lefty while Squires is an equally as strong righty. These two players have allowed the Bombers to move Jim Britton back into the starting rotation. Mike Kelch has been added to replace Joel Gonzales who was removed from the roster due to NCAA ineligibility. Kelch is a 3rd baseman from Temple University who will bring great things to this team!

The rest of the home games are July 18th, 22nd at 6:00 PM, 26th, and 29th. All except the 22nd begin at 7:30 PM at Shipley Field. Come get to know these new players and to support your College Park Bombers!

The College Park Bombers, part of the Cal Ripken League, are a group of talented collegiate baseball players who compete at Shipley Field located on the UMD campus. Please visit the website at www.collegeparkbombers.org for a full schedule, roster, and other information.
